Farm Housing Survey Starts In County

RANDALL IS ONE OF 25 COUNTIES IN STATE TEXAS

2,000 Farm Homes Will Be Visited by the Workers

WOMEN ASSIST

Government Seeks Information as to Farm Condition

A Farm Housing Survey for Randall county was started yesterday by Miss Orene McClellan and Royall Cantrell, who are sent here from A. & M. College representing the Bureau of Home Economics in Co-operation with the Bureau of Agricultural Engineering of the U. S. Department of Agriculture.

These surveys are being made in 300 counties in the United States. Only 25 counties in Texas will be surveyed, these being selected as typical for their sections of the State. Hemphill and Hale counties are the only other counties in Northwest Texas selected for this survey.

Eleven Randall county women have been appointed to take this survey, these living in various parts of the county. The field workers will go into the homes of the county seeking a vast amount of information regarding farm conditions. 2,000 farm homes will be visited in each county or section selected. Randall county does not have this number of farm homes, therefore Deaf Smith county has been attached as additional territory after the survey has been completed in Randall.

As a result of this survey of 600,000 farm homes in the United States, the government will be in better situation to ascertain the exact farm conditions that prevail. All of the field work must be done during the coming month, and the compilation will take about two weeks. Miss McClellan and Mr. Cantrell have their force organized and will complete the work as quickly as possible.

The women selected to make the survey are representatives of the United States government by right of their selection, and every question on the blanks must be answered by the farm owners.

Mr. and Mrs. A. H. Word of Spearman and Mrs. R. A. Wederbrook of Hereford visited their parents, Mr. and Mrs. John Knight during the holidays.

Mrs. R. G. Blue and daughter Nola Margaret and Marcellu of Hereford visited Mrs. W. S. Myers last Thursday.

Harvey Cash, Jr., has returned to his work at Sinton, Texas after being at home with his parents during the Christmas vacation.

Carolyn Mayfield was the guest of Lou Rose Whitman in Happy last week.

Guaranty Deposits In Canyon Banks

Certificates Received By Both Local Banks On Deposits

Depositors in the two banks of Canyon have their deposits protected under the new Federal Deposit Insurance Corporation starting with the New Year. Both banks received certificates from the corporation Saturday to come under the protection of the new Banking Act of 1933.

Both banks in Canyon are members of the Federal Reserve System and by that right are entitled to membership in the new corporation.

The federal government established the new guaranty system in order that deposits in the reserve banks might be protected. The government will more closely administer the affairs of the banks of the country so that bank failures will be almost unknown, and should there be a failure, the depositors will not suffer as they have in the past.

Rotary Club In Welcome to 1934 Tuesday Luncheon

Bill Smith and young son entertained the Rotary Club Tuesday at the Rotary luncheon. Bill was supposed to be making a classification talk on natural gas, when the youngster, dressed in the garb of the New Year broke up his dad's performance and announced to the world that he was 1934 and was here to be recognized. He brought with him fitting resolutions as affecting the life and action of each member of the club.

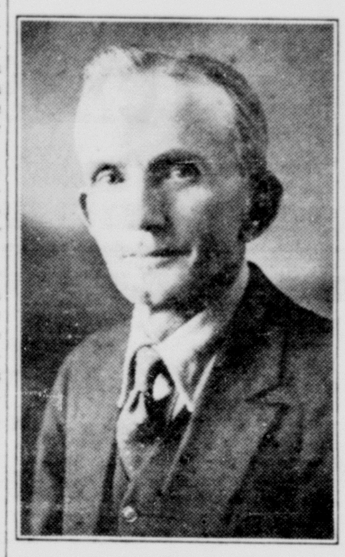
Visitors Tuesday were R. E. Wertz, H. F. Loudder, Dr. B. E. Masters, Judge Henry S. Bishop and Grady Hazlewood of Amarillo.

Improvement Work Started on W. T. by 15 C. W. A. Men

Work was begun this week on the first of the CWA projects at the college, and fifteen men were given employment, removing the top covering of floors in the lower story of the Administration building preparatory to laying terrazo floors. These are made of crushed stone and will give a very handsome and durable finish to the floors.

This project also includes painting the entire interior of the building. At least eleven men will be given employment on this work. Materials have been bought by the Board of Control for delivery this week.

W. H. Neal Asks Re-Election Commissioner No. 2



W. H. (Bill) NEAL

W. H. (Bill) Neal has authorized The News to make his announcement as a candidate for re-election to the office of County Commissioner, Presinct No. 2. Mr. Neal is serving his first term in this office. Mr. Neal states:

"In making my announcement for re-election for County Commissioner, precinct No. 2, I wish to thank the voters for their past support. I will greatly appreciate the consideration of the voters in the primary of this year and their vote at the polls."

Mr. Neal has been very efficient in his services during his first year in office, and those who have kept in close contact with the affairs of the county have appreciated his stand for economy in the county government. He is looking carefully after the interest not only of his own precinct, but also of the entire county.

$325,000 IMPROVEMENTS AT PALO DURO PARK

PARKS HEAD IN VISIT PLEASED WITH PROGRESS

Work Produced Here Is Greatest in CCC Camps

GRANT IS VISITOR

Colp Makes Plans For the Development of Palo Duro Park

Assignment of two landscape gardners to the Palo Duro State Park in addition to Architect Guy Carlander of Amarillo to plan for the $325,000 improvement program to be consumated by March 31st was announced Monday by D. E. Colp, chairman of the Texas State Parks Board. Mr. Colp arrived Friday night from Austin and spent three days here going over the park plans with Supt. S. O. Miller. He was accompanied by George Nason, engineer of the national park service, and met here M. L. Grant from the national office at Washington. This was the first trip of Mr. Colp since the road was completed, and the first trip Mr. Grant had made to the Palo Duro.

The Palo Duro has cost $400,000 up to the first of this month, stated Mr. Colp, and more work per man has been produced in this park than in any in the state. Mr. Colp has filed a request for the continuation of the four CCC camps after the period closes on March 31st.

He has known Colonel Coppock for a number of years, and believes that great development will be made in the park owing to the unusual interest of Colonel Coppock in the project, and his ability to assist the engineers in their projects.

Mr. Colp had received a protest from Amarillo for the 35 cents

Candidates Will Cover County by Using The News

This is political year. Randall county will have a number of candidates, none of whom have money to waste on schemes which will be presented. Every campaign year brings forth a number of new schemes, all intended to separate the candidate from his money, without giving him returns.

Various publications will be presented to the candidates, with the claim that they reach the voters.

Without fear of challenge, The Canyon News states that a larger percent of the actual voters of Randall county will be reached through advertising in The News than through the use of other publications, and other schemes which will be presented. The candidates must visit with the voters — that is taken for granted in each and every campaign. The News will carry the messages prepared by the candidates, at the lowest possible rate.

The News is printing this statement only for the sake of the candidates, who will be sought as victims of many promotors who seek to extract their hard earned money.

Political advertising in The News is strictly cash in advance. All candidates should consider this before asking that their announcements be made in The News.

COLONEL COPPECK TO SPEAK AT CHAPEL

Colonel Coppock of the Palo Duro Camp will speak to the student body at the 9:30 chapel hour Saturday morning at the main auditorium at the college. Anyone in town who is interested is welcome to be present.

TO PREACH SUNDAY

Chaplain Gus Ramage of the Palo Duro Park will preach Sunday morning at the First Christian Church at the 11:00 o'clock hour.

George Mayfield visited in Ralls a few days last week.

SIX WEEKS OF CO-OPERATIVE CAMPAIGN ENDS

To Distribute Ten $10.00 Bills At The Band Stand

PRESENT TO WIN

39 of Canyon's Business Houses Work in Campaign

$100 in cash will be distributed Friday afternoon at 4:00 o'clock on the court house square.

The campaign which started in November will be brought to a close with the distribution of the ten $10 bills to customers of Canyon business houses at that time.

The campaign has been quite successful, according to merchants who have participated in the $100 gift, and it is expected that a large crowd will be on hand to witness the distribution at 4:00 o'clock Friday afternoon.

Fred E. Wortham, secretary of the Chamber of Commerce, will have charge of the ceremonies.

Those who are to participate in the cash distribution must be present at that time. Only those who are present at the time will have an opportunity to benefit from the free cash distribution which will be made by the business houses of Canyon.

Of the 39 business houses participating in this campaign, the six filling station owners found that their NRA code was being violated, and they were forced to withdraw from the active partici-

Mrs. J. M. Black Called By Death This Morning

Death claimed another of Canyon's pioneer citizens at 3:20 this morning when Mrs. Madge W. Black, widow of the late Dr. J. M. Black, died at the family home in the north part of the city, following an illness of pneumonia. Mrs. Black has been a resident of Canyon for 43 years.

She was born February 3, 1863, in Hunt County, Texas. She was a member of the First Presbyterian Church.

Definite funeral arrangements had not been completed this morning.

Dr. Black, one of Canyon's early business men and active in business until the time of his death, was killed last July 15th, when a Santa Fe train struck his car as he crossed the railway tracks near his home.

Surviving are five sons, J. C. Black, J. N. Black, W. C. Black, S. L. Black, all of Canyon and W. S. Black, Tulia; two daughters, Miss Pearl Black, Canyon; and Mrs. J. C. Freeman, White Deer. Also one brother, N. W. George, Canadian, Okla., and three sisters, Miss Hanna George, Mrs. J. O. Abernathy, Mrs. J. L. Tarlton, all of Wolf City, Texas.

Pending funeral arrangements, the body is in charge of Griggs-Thompson Funeral Home.

B. C. Workman New Manager of Texas Utilities

B. C. Workman of Dallas arrived Tuesday to assume his new duties as manager of the Texas Utilities Company in the place of the recently deceased A. H. Bryant.

Formerly Mr. Workman held the position of Merchandise Sales Manager for the Plainview District of Texas Utilities and as such became acquainted with a number of Canyon business men.

Mrs. A. H. Bryant will also assist in the office work of the company.

Sanitation Squad at Work in the County

Sanitary Toilets For the Schools, Dairies and Homes

J. E. Fuqua is working in Randall county with a crew of 16 men under the direction of the State Health department, building sanitary toilets. Mr. Fuqua has asked for an increase of his squad to 30 men and has requested that a truck be furnished. All of the work is being done through the CWA committee of the county.

All of the school districts of the county will have sanitary toilets built under the direction of Mr. Fuqua, and his services are offered to all dairies and farmers of the county. The dairies are especially urged to ask for this work to be done.

Mr. Fuqua states that only the material used is required of the property owners. The labor is furnished free of charge, and paid for through the CWA funds.

Mr. Fuqua states that the work in the county must be completed by February 15th, and requests that all who wish the services of his crew to leave word at the Randall County Relief headquarters or phone the county judge's office.

Buffaloes Will Start 1934 Basketball Season

Coach York Will Send Experienced Team Into Game

Friday night at eight o'clock the West Texas Buffaloes flash on the court of historic Burton gym for the first time in 1934 in the opener of a two game series with the Southwestern, Okla., Bulldogs.

Not so very long ago the Bulldogs initiated the football season for the Buffaloes with uncomfortable results and the Buffs sincerely wish to return the compliment now on their home court.

While not working so smooth as they did before the holidays, the Buffs expect to have their offense clicking to entertain the visitors Friday and Saturday nights. The Bulldogs practiced all during the holiday period, playing two games at Lubbock with Texas Tech which gives them a decided advantage in experience. They split the two game series with Tech, losing the first in the last few minutes as a Tech forward got hot, but winning the second by the large margin of 37 to 15.

As far as height is concerned, the Buffs still have a resemblance of former years. It remains to be seen if they resemble them in

THE NEW YEAR

It is probably better to say nothing regarding the New Year, if you cannot say something good. Give the new year a chance, is the best that most of us are able to say regarding the advent of the 1934 edition of Father Time.

However bad the conditions may seem, genuine optimism is expressed by most of the leaders of the nation. Depressions are not overcome in a day. The New Deal has been working only a few months, but during that time, definite results have been accomplished.

A united nation is never whipped. Roosevelt has the solid backing of the nation, with all business leaders attempting to assist him in overcoming difficulties. Perhaps his methods are not agreed upon by all, but his earnestness, and activities for a complete reconstruction program has convinced the people of the safeness of his leadership.

The general relief program of the government is having desired effects. Men have been put to work on useful projects, and relief rolls have been greatly reduced. Men feel better when given a definite project rather than handed a dole.

Loans have been made easy for those in distress, the government backing the loan agencies, which in turn assist those in need.

Prices are improving. Prosperity prevails only when the markets are increasing, or at least remain steady. A declining market always means a heavy loss to those engaged in producing and handling the commodity involved.

The government is assisting every producer as rapidly as possible. The cattle raisers are the only ones which have not felt the results of the recovery program to the extent of other producers.

How are we going to pay back all of this money which the government is using to improve conditions? The government does not have this money on hand. There is only one way, get it from the people of the nation who have the money. The processing taxes and the various luxury and occupation taxes are bringing in vast amounts of money. Every sack of flour carries a tax to repay the government for the money given the wheat farmers. And so with every item coming under processing taxes.

The national gasoline tax is building the roads where CWA money is being spent for improvements.

CCC camps are building parks which will soon bring revenues to the nation.

And so on through the list of activities which the government is undertaking.

The price of gold has been increased by the government. In view of the fact that this nation owns about three-fourths of the world's supply of gold, certainly we can set the price of the commodity, increasing the price which means a profit to the nation. This method alone will pay all of the relief bills of the nation.

The government undertakes a new function on Jan. 1st, which means much to the people. Bank deposits will be guaranteed. There have been too many bank failures in the past. From now on the banks will be absolutely safe, as the government will have closer supervision, taking stock in a large percent, and offering the protection of its guaranty of deposits in practically all of them.

Locally, conditions could be greatly improved by a big rain. Except for continued drouth, the outlook would be brighter than a year ago. Many public projects are underway which give labor to many people. This has caused to be spent a large amount of money in the county.

A year ago, a movement was underway to reduce W. T. to the rank of a junior college. This movement was blocked, and today the college has a larger enrollment than last year in spite of the loss of the graduate work with its 60 or 75 students.

A big rain will mean excellent prospects for a wheat crop. If this rain comes in the near future, indications are that 1934 will see a decided recovery for Randall county.

Wedding of Dorothy Cash and Rufus Dodgen Saturday

Climaxing a romance of college days at W. T. S. T. C., the marriage of Miss Dorothy Cash, daughter of Mr. and Mrs. Harvey Cash of Canyon, and Mr. Rufus Dodgen of Laverne, Oklahoma, took place at the home of the bride's parents Saturday morning. At ten o'clock, the bridal couple, attended by Miss Mary Berryman and Harvey Cash, Jr., entered to the strains of Lohengrin's "Wedding March," played by Mrs. Lee Foster.

An archway, embanked with fernery, made a lovely setting for the ring service, which was performed by the Reverend Mr. Charles Dickey, pastor of the First Presbyterian Church. Only the immediate families and a few intimate friends were present.

The bride, carrying a bouquet of bronze rose buds, wore a costume of brown satin crepe with matching accessories. Miss Berryman was dressed in colors of brown and gold.

Following the ceremony, light refreshments were served in the dining room, and the couple left for Woodward, Oklahoma where they will visit a few days before going to their new home at Laverne, Oklahoma.

Mrs. Dodgen is a graduate of the Canyon High School and of the West Texas State Teachers College. She was an assistant in the library department while she was in college and quite active in the social activities of the school. She was selected as one of the college favorites and an attendant of the queen in the beauty pageant of 1931. During the first part of this school year, she has been teaching in the Goodnight Public Schools.

The groom graduated from W. T. in 1932 and has since been engaged in business at Laverne. He is the son of Mr. and Mrs. D. L. Dodgen of Groom.

Honored With Shower

Complimenting Miss Dorothy Cash, bride-elect of Rufus Dodgen, Miss Virginia Jarrett entertained with a bride-shower at her home at 408 Tenth Street Wednesday afternoon of last week.

Bridal tallies, appropriate to the occasion were used for the games of bridge which were played at three tables. Sprigs of mistletoe were used as a decorative note in the entertaining rooms.

At the tea hour, dainty refreshment plates of Bavarian cream, angel food cake, hot tea and mints in the colors of pink and white were served.

A lovely assortment of gifts were presented the honoree in a large pink basket.

Those present were: Miss Cash, honoree, Mrs. Harvey Cash, Mrs. O. J. Laas, Mrs. Malcolm Hunt, Miss Frances Holman, Miss Frances Usery, Miss Pearl McClure, Miss Marian Hill, Miss Martha Nell Lang, Miss Alleith Elliston, Miss Frances Alice Clark, Miss Rutn Greenfield, and Miss Eleanor Pierle.

WOMAN'S AUXILIARY MEET TUESDAY AFTERNOON

The Women's Auxiliary of the Presbyterian Church met on Tuesday afternoon for a lesson on International Missions in the United States and Alaska. In the absence of the president, Mrs. Harvey Cash presided over the meeting.

Mrs. Chamness led the devotional service, following which a number of interesting discussions on the lesson were made by members.

MR. AND MRS. BOURN ENTERTAIN SUNDAY

Mr. and Mrs. J. W. Bourn were hosts to a number of their friends of West Side community New Year's evening at a trukey dinner. The tables from which the dinner was served were centered with sprays of holly.

Following the dinner, games of bridge and forty-two were played during the remainder of the evening. Eighty-four people ottended.

Mrs. Lois Caldwell of Dalhart is visiting in the Mark Foster home this week.

MR. AND MRS. G. DOWLEN GIVE DINNER BRIDGE

A thoroughly enjoyable affair was the dinner-bridge given last Saturday evening by Mr. and Mrs. Glen Dowlen at the home of Mr. and Mrs. C. M. Dowlen, 2119 Fourth Avenue. A two-course turkey dinner was served buffet-style, with the holiday motif being used on the serving tables and in the accessories for the games which followed.

Those present were: Mr. and Mrs. James Cole, Mr. and Mrs. George Nance, Mr. and Mrs. Jim Rose, Mr. and Mrs. Grady Oldham, Mr. and Mrs. Felix Neff, Mr. and Mrs. Dudley Locke, Mr. and Mrs. Cass Jennings, Mr. and Mrs. Clyde McElroy, Mr. and Mrs. Lonnie Byars, and Mrs. C. K. Arnold of Petrolia, Texas.

FRIDAY AFTERNOON CLUB MEETS AT NEBLET HOME

Mrs. R. A. Neblett was hostess to the Friday Afternoon Club last week at her home at 1310 Fifth Avenue. Guests were seated at four tables for the afternoon of games.

A salad course with coffee was served to the following members and guests: Mrs. C. L. Thompson, Mrs. Ray Campbell, Mrs. Marion Bishir, Mrs. Bill Black, Mrs. Tom Knighton, Mrs. Clyde Warwick, Mrs. Irby Carruth, Mrs. Dan Sanders, Mrs. Travis Shaw, Mrs. Bill Smith, Mrs. Felix Neff, Mrs. Henry Snow, Mrs. Flanigan Smith, Mrs. C. DR. CARL HENCKELL DIES

Friends of Rev. Walter Henckell will regret to learn of the death of his father, Dr. Carl Henckell, during the Christmas season, at his home in Birmingham, Ala.

Miss Sadie Kate Bass returned from Marshall Monday. She has spent the past two weeks with her sister and family there.

Break Endurance Flight Mark

Long, monotonous hours spent by Frances Harrell, left, and Helen Richey, right, circling in the air above Miami, Fla., were rewarded when they learned they had broken the prevailing woman's refueling endurance flight record of eight days, four hours and six minutes. Their plane, Outdoor Girl, is shown above being refueled during the flight.

First Bunch of Wheat Checks in Hands of Farmers

Practically all of the first allotment of wheat checks were distributed by Saturday to the wheat farmers of Randall county. A few checks could not be delivered owing to complications.

There remain about 130 checks which have not been received from the government, but which will likely come to the local committee during January.

Farmers who received their checks last week were highly pleased at the service which had been given by the local committee, and the promptness on the part of the government in issuing the checks. Randall county was among the first counties in this section to receive the checks.

Irrigation Rates Are Started–Help Save the Trees

The City Commission started irrigation rates with the first of January and will continue them thru the summer in order that citizens may properly irrigate their trees.

Authorities state that the trees are greatly suffering, and that there will be a heavy loss of trees on the Plains unless citizens start irrigation at once.

With a rainfall of only 11.12 inches the past twelve months, vegetation should be thoroughly watered during the winter months.

Miss Isabel Robinson returned Monday from her home in Missouri where she had spent the Christmas vacation.

State Fine For Dumping Trash on the Highways

T. W. Ziegler states that he has just completed clearing the highways of trash, which had been dumped on the right-of-way since the clean up in August. 14 loads of trash were removed from the right-of-way between Canyon and Happy and Hereford.

There is a state fine of $200 for dumping trash along the highways. Owing to the cost of keeping the right-of-ways cleaned up by careless people, highway men are advised to see that the law is enforced.

J. B. Scott of Plainview attended to business in Canyon Wednesday.

Mrs. O. J. Laas and daughter left Sunday for their home in Plainview after a week's visit in the home of Mr. and Mrs. Harvey Cash.

Mr. and Mrs. J. G. Wilson of Glen Cove have spent the holidays here in the home of their daughter, Mrs. Floyd Dunaway, and in Friona with other relatives.

POLITICAL CALENDAR SETS FIRST PRIMARY ON JULY 28

1934 Brings Elections for All Officials in Texas, Constable to Governor.

The political calendar for 1934 set the date for the first primary on July 28 of this year.

With much interest in the political situation, it appears that candidates are going to begin announcing earlier than usual, and that there will be a "healthy crop" in Randall county. Here are the dates which should be kept in mind by the voter and the candidate:

Jan. 31—Last day to pay poll tax.

Feb. 12—Election judges appointed by Commissioners Court.

April 1—On or before this date, tax collectors furnish county election boards with list of poll tax payers and exemptions.

June 4—On or before this date, candidates for party nominations for state and district offices shall file applications for place on primary ballot.

June 6—On or before this date, candidates for party nominations for offices to be filled by voters of a single county or a portion thereof and candidates for county chairmen shall file legal applications with the county chairmen for places on ballot.

June 18—County executive committees meet at county seat to determine by lot the order of names on primary ballots, estimate the cost of printing the official ballots and other expenses incident to the holding of the election, and apportion the cost among the various candidates except candidates for state offices); name a sub-committee of five members to make up the ballot; decide whether the nomination of county officers shall be by majority or plurality votes. If the committee fails to decide, then the nomination shall be by a plurality of the votes cast. (Run-off for state or district offices is mandatory if no candidate receives a majority in the first primary.) (Arts. 3108 and 3117 R. S.)

June 25—On or beroe this date candidates must pay ballot fees.

June 28—First day to file first statement of campaign expenses.

July 3—Last day to file first statement of campaign expenses.

Absent Voting

July 8—First day for qualified voters, who are away from county of their residence, to make application for absentee ballot.

July 9—Subcommittee appointed June 18 shall meet and make up official ballot for primary.

July 16—First day to file second statement for campaign expenses.

July 18—Last day for qualified voters who are away from county residence, to make request for official ballot to vote absentee ballot.

July 18—First day any qualified voter within county expected to be absent election day may appear before county clerk and vote an absentee ballot.

July 20—Last day to file second statement of campaign expenses.

July 23—On or before this date tax collectors shall deliver to the chairman of the county executive committee list of qualified voters in each precinct in the county, arranged alphabetically and by precincts.

July 24—Last day for one within county expecting to be absent election day to vote absentee ballot.

July 28—Primary election day, also precinct convention day. (Election open from 8 a. m. to 7 p. m. except in counties over 150,000; it is open from 7 a. m. to 7 p. m.)

July 28—Third and final statement of campaign expenses in first primary may be filed. Last day allowed Aug. 7.

Aug. 1—Presiding judges of election, which make returns first primary on or before this date to county chairmen.

Aug. 1—Not more than 30 days nor less than 25 days before second primary, first statement of campaign expenses must be filed. This is the last day for that statement.

Aug. 5—Qualified voters outside the county of their residence expecting to be absent on election day shall arrange to vote absentee ballot in the same manner as required in first primary under date of July 8.

Aug. 7—Final statement of campaign expenses in the first primary election must be filed on or before this date.

Aug. 15—First day for absentee balloting by those within county of residence but expect to be away on day of election.

Aug. 15—Last day for those outside the county of residence to make requests for absentee ballot.

Aug. 21—Last day to vote absentee ballot by those within county of residence but expecting to be absent election day.

Aug. 25—Second primary election day (runoff), also district convention day.

Aug. 29—On or before this date presiding judges shall make returns to county chairmen.

Sept. 1—County executive committees meet and canvass returns of second primary election.

Sept. 4—On or before this date final report of campaign expenses must be filed. State convention day to announce platforms of principles and nominations.

EPISCOPAL CHURCH

There will be services at the Episcopal Church next Sunday night, Jan. 7th, at 8:00 o'clock, with preaching by Rev. Warwick Aiken, of Plainview, minister in charge.

Next Sunday is the first Sunday after Epiphany, which season in the Christian year commemorates the manifestation of Christ to the Gentiles, in the visit of the Three Wise Men. The number of Sundays in this season varies with the time of Easter. This year there will be three Epinphany Sundays, the season merging into that of Pre-Lent on Jan. 28th.

Everyone interested is invited to attend all of the services at this church, and to meet the rector afterwards at the Little House of Fellowship.

WAKE UP YOUR LIVER BILE—
WITHOUT CALOMEL
And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resent a substitute. 25c at drug stores. © 1931 C. M. Co.

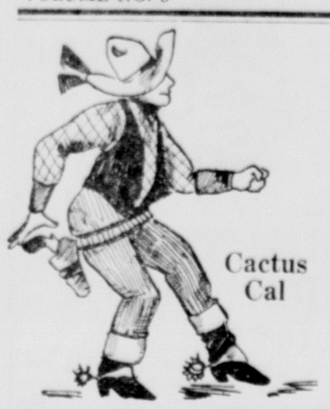
THE EAGLE'S TALE

VOLUME NO. 8 CANYON, TEXAS JANUARY 4, 1934. NUMBER 16



I'm sure glad to be writin' to all uv you again. You know I ain't writ a scratch since last year.

I've heerd several kids say they wished some teachers would start the new year off right by adopting some resolutions that would make school life easier.

Rubye Foster said she'd be tickled pink if Miss Murrell would resolve not to hurt her pupils' feelings by calling them down fer writing notes, chewing gum, or eating candy in her class.

Lelabell Johnson sure is kind-hearted to think of the kids as far ahead of her as next year's Texas History class. She's had experiences with Mr. Terry is the reason for her sympathy. Some one has to sympathize with the pupil; the teacher won't. Here's the resolution as quoted from Lelabell: "That Mr. Terry will not cause his next Texas history class to have writer's cramp from writing on contracts work."

These Foster kids is bad at givin' the teachers sum New Year suggestions. Our editor sed that Miss Goodrich needed reform worse than any teacher she knew. The resolution by Robbie is: "Resolved that no more memory work will be required of the Senior English classes."

These three little girlies now have sed how the teachers could make them happy, and are you teachers going to ruin the 1934 school year fer them and hundreds uv other high school kiddies, by not keeping these resolutions? Only very good reasons will be accepted fer not complying with the above mentioned resolutions. Notice! No excuses accepted!

Have any uv you all noticed any change in the school life since Xmas holidays. I hev. Monday morn in walked Myrtis Wright and Miss Goodrich with a new pair of shoes apiece. Then the flashy Roy Miller strutted into school sporting a new shirt. But what catched my eye the most wuz a necklace and bracelet worn by Virginia Burgan. Then I wuz walkin' down the hall and not even wondering what time it was, when all of a sudden Mickey runned up and told me the time. She pull her sleeve up fer enough fer me to see that she had on a new watch. Then as usual Helen H. came in wagging a purse, but not the same one. Santa musta heerd her say she needed a new one. Mrs. Foster is sorry she couldn't wear or carry her Christmas gift to school, but I bet her meat won't spoil or her milk won't sour now, cause she's got a new Frigidaire.

Well, here's hopin' that this year the Fish won't be so green. That the sophomores will be smart and not smart alec. That the juniors will be as smart as the seniors, and that all of the seniors will be vadledictorians.

Your old side-kick,
CACTUS CAL.

Miss Lena Foster, who is teaching in Spade, came home for the holidays.

Lester Smith has returned to school after an absence of several weeks.

Tulia Hornets Defeat Canyon Eaglettes 28-20

The Eaglette cagers minus three regular players journeyed to Tulia Dec. 22, and suffered a 28 to 20 defeat at the hands of the Tulia Hornets.

Despite the fact that three regulars were missing from the lineup, the Eaglettes never ceased to fight, and managed to keep the Hornets from gaining a substantial lead until late in the game.

Plaster, veteran Eaglette jump center, led the scoring with 11 points, which was only 1 point above Brown and Vaught of the Hornet sextet.

Davis, Slack, and Miller, Eaglette reserves, displayed excellent ability although it was their first game.

So That You May Know

For some time it has been a theory in Canyon High School that students who miss periods or days must make up the work missed by doing extra work. It has however, been left largely to the initiative of the individual teacher to enforce this regulation. About December 1, a central record system of checking up on this makeup work was inaugurated. Each pupil who has missed school receives an admit slip on which each teacher places an assignment and his signature. When the pupil has completed his work, his instructor again signs the slip and it is returned to the office to be filed.

Thus if a pupil has not made up the work in a given time, he is checked up by the Principal. When grades are issued at the end of the six weeks, pupils who have not made up their missed work will receive E in that subject. This E will not be removed until the makeup work is finished.

Now, at the beginning of the New Year, we urge all parents to keep your children in school as regularly as it is possible to do so. Only by such regular attendance will your child do good school work.

Faculty Facts

Although she was very busy cataloguing Spanish references in the library, Miss Jewell Foster, Spanish instructor in Canyon High School and sponsor of "El Circulo Castellano," laid her work aside long enough for an interview.

Miss Foster was born on a large ranch in Oklahoma. All through her early years she felt that her birth was a disgrace because she had been born in Oklahoma, and her mother, father, aunts, uncles, and cousins had all been born in Texas.

An interesting incident during the first year she attended school occurred one morning when she and her older sister were on their way to school. They had come to a large mud puddle and her sister told her if she could put all of her weight in her head, she could walk across successfully. Knowing no better, she started across, but the results were a "bogg-up," a return home and no school that day.

Miss Foster obtained her high school education in Tulia High School. It was there in her senior year that she met Miss Jordan. They have been good friends and lived together a great deal since that time.

During her first year at college, Miss Foster had an interesting roommate, a girl she had never seen before or since. At the end of that year the girl moved to Washington, D. C. and has remained there since that time. Miss Foster stated that she receives a fifteen page letter about once each month, and that her Christmas present arrives earlier than anyone elses each year.

Miss Foster attended W. T. S. T. C. and received her B. A. degree as a Spanish major from that institution. While there she was a member of the Lloyd Green Allen Scholarship Society, and was quite active in Y. W. C. A., Elapheian Society, Spanish Club, and sang alto in the College Glee Club. Since that time she has attended the University of California one summer. For the past several summers she has attended the University of Texas and expects to receive her Master's degree as a Spanish major there at the close of the term next summer. One of the most interesting features at Texas U. for her is the Garcia Library.

She has been teaching here six years. Before coming here she taught at several other schools. Some of these were Claude, White Deer and Dalhart. While she was teaching at Dalhart she developed an appreciation for Public School Music and Music Memory. She had charge of these activities there and had a one hundred percent music memory team in the district that year.

Miss Foster's early ambitions were to play the piano and teach school. She has been fulfilling one of her ambitions for several years. She said she played the piano for her own enjoyment when she was alone at home and her nearest neighbor was a mile away.

Patrica Wederbrook has moved back to Hereford.

Miss Ruth Greenfield and Miss Ruth Smith are teaching in Vega.

NICHOLAS HOME SCENE OF NEW YEAR'S EVE PARTY

The home of Margaret Nicholas was a scene of a gay New Year's Eve Party Sunday night. The guests gathered at the hostesses' home after attending church. During the evening games and contests were played, although singing and listening to the guitar and piano were the chief amusements. Several popcorn races were held between the various guests. At 10:30 o'clock the guests were served with hot chocolate, sandwiches, olives and cake. When 12:00 o'clock struck, the guests beat cans and made all the noise possible to usher in the New Year.

The party guests were as follows: Jewell Chambers, Maeban Howard, Gladys McBride, Mary Elna Kirkland, Winnie Dee Hicks, Bud McNeil, Arthus Lee Chambers, Edgar Hutton, Farris Crawford, Wayne McNeil, Sewell Cox, and Thomas Ziegler

SUPPER GIVEN BY WINNIE DEE HICKS

Friday night, Dec. 29th, Winnie Dee Hicks entertained with a supper consisting of pressed chicken, salad, dressing, vegetable salad, and dessert. Each guest found her place by means of tiny dolls which were favors as well as place cards. After supper, table games and singing were the chief amusements.

ATHALEE OVERTON ENTERTAINS

Athalee Overton entertained a group of her friends with a slumber party Friday night at her home. The night was spent skating, going to a show, eating, and slumbering, a very small amount of the latter. Sandwiches, cake and cocoa were served as refreshments.

Those present were Male Schmitz, Virginia Burgan, Helen Hardman, Armor Lee Greenfield and Marie and Wilma Price.

DAN CUPID WORKS DURING THE HOLIDAYS

During the past few weeks there have been several marriages among the ex-students of Canyon High School. One of the first to be announced was that of Miss Marcene Penick to Mr. Chester Ford of Amarillo.

During the Christmas season Miss Shirley Brietling and Mr. Phillips of Clayton, N. M., were married.

Two weddings which were performed Christmas eve were that of Miss Birda Ann Hastings to Mr. Joe Foster of Lockney; and Miss Leola House to Mr. Wayne Porter of Canyon.

Miss Dorothy Cash was also married during the holidays to Mr. Rufus Dodgen from Groom.

WHAT WOULD HAPPEN IF—

Mary Katherine Wirt should learn to drive a car?

Hampton Lisle should study without being reminded by Miss Goodrich?

All the Home Economics girls did not have to stay in until six o'clock every afternoon?

Yvonne Thomas wasn't always giggling or saying, "Gee! I'm the meanest thing?"

The Seniors had a kid day?

Johnnie Wilson lost his laugh?

Armor Lee Greenfield or Mabel Schmitz should get angry?

Caroline Mayfield should act her age?

Canyon High School courtships were never aired on the front steps?

Lena Wade Jennings should fall in love?

The Freshmen girls were not inevitably dashing excitedly about the building?

Geneva Whitman wasn't such a good sport?

The band should get uniforms?

Lela Bell Johnson didn't have that strut?

Bill Cone should be anything but pleasant?

Among those who spent part of the holidays in Amarillo were Lavena Watkins, Rowena Lockwood, Chloe Hail, Ruth McCrerey, Ruby and Robbie Foster, Jack Middleton and Winnie Dee Hicks.

Miss Theresa Robinson, C. H. S. ex-student visited at her home during the holidays.

To The Students Of Canyon High

The New Year of 1934 has come. It is here with all its newness, its freedom from mistakes and its freedom from failures and regrets. Let every student in the Canyon schools strive with all his or her might to keep it so. Let us look forward with a new faith toward unmarred achievement. The world is yours for the taking. However, before one can demand, one must be prepared. Preparation means hours, months, and years of thoughtful planning and hard work.

The reward is worth the effort tenfold. The man who succeeds is happy, while the man who fails is miserable. Which will you choose? Let the New Year 1934, help you choose the former.

C. H. S. Students' Resolutions

In the halls of Canyon High School: "My resolution for 1934 is to be thrifty, you know, shows on Wednesday and Thursday night, you know two for 25c," says Jack Oldham.

"Well, 'Fat,' it is my resolution to break into the 'Big Five.'"

"Sweetheart (meaning Jewell Chambers)," whispered Winnie Dee Hicks, "I resolve to reduce to one hundred and seventy pounds of loveliness by January 1, 1933."

What's in a Name?

In the files of Canyon High School can be found by diligent search and much brain work beautiful and fascinating chronicles. We find that a certain mysterious HOWARD, possessing ALL RED HAIR, set out with a COLE BLACK PORTER one day to GAMBLE away his MONEY.

He CASHed in, at a SHARP PRICE, for one of SOLOMON's fabulous wives, who weighed OVERTON at first she SCHMITZ poor HOWARD. She resolved she would STALL(ings) but he literally HAILed carresses upon her at the WRIGHT time, so that she STRAINed him to her bosom and PLASTERed MOORE kisses on his HARRISed brow.

Then they RHODE(s) up the HILL by the side of the BROOK(s) and into a GREENFIELD, where WIRT thou BOURN she sweetly asked.

"I CHILDERS" quoth he, "my father was an ARCHER, a TAYLOR, and a SHUMAN, and was a HARDMAN. My COUSIN(s) WILLIAM(s) preaches the BIBLE in the CHAMBER(s) and his HARRISON is a county HICK(s) who sells OLDHAM and PHILL(s)UPs on HARDENed pig's FOOTEs, they were then happily married and now have an OLSON who is a DRUMMand major and is FLESH-(i)ER than his mother.

Events In School's History of 1933

As reviews will soon begin, the following will give some idea of the main events of the past year:

January 18, 1933—Football boys entertained Purple Peps with a theater party.

Feb. 2—Canyon girls defeated the Lazbuddy girls in two fast games.

On Feb. 15, twenty Eagles received gold footballs in assembly.

Mar. 2—Mary Ella Lowe won the Speech Contest in Amarillo.

Mar. 3—C. H. S. debate teams won over Olton.

Mar. 10—Joe Collins and Ogden Stroud won the Lubbock debate tournament.

March 31, saw the Canyon debaters win most of the debates at Lubbock.

On April 7, the Queen of Canyon High was crowned after the clubs, etc., had presented their stunts.

Sept. 8—Armor Lee Greenfield was elected the new Purple Pep president.

Sept. 28—The Conservatives elected Ernest Duncan as their candidate, and the Liberals elected "Scoop" Elliston as their candidate for Student President.

Oct. 2—Ernest Duncan was elected Student President.

Oct. 5—The Freshmen and their parents attended a joint banquet.

Oct. 19—The Eagles won the first football conference from Friona, 52 to 0.

Nov. 10—This day was the scene of the last conference game the Eagles played (and lost); it closed with the Ex-Student Banquet.

Nov. 23 was another eventful day because Curtis Ellison was elected captain of the Eagles for 1934-1935.

Nov. 30 saw the Eagles and their girl friends entertained with a banquet and theater party and also the I. L. P. C. admitted "The Eagles Tale."

Dec. 21, the Canyon debaters defeated seven Olton debaters.

Eagle Quintet Loses to Hornets Friday, Dec. 22

Led by Curtis Ellison, the only regular able to play, the Eagle quintet lost to the Tulia Hornets by a score of 24 to 15. The game was played at Tulia, Dec. 22. O. M. Solomon, substitute center was the star of the Eagle offense with 12 points. Crosby of the Hornets followed with 9 points.

Most of the reserves who replaced the regulars were handicapped in that they were playing in their first game.

The Hornets kept the lead thruout the game. The Eagles showed one flash of good passing in the third period, but were not able to overcome Tulia's lead.

The score was 10 to 13 in favor of Tulia at the half.

Faculty Study Club Discusses Art and Music

In the attractively decorated Home Economics room, the faculty study club met, Thursday, Dec. 21, to discuss art and music.

Miss Murrell, who had charge of the program, and Mrs. Davis discussed the subject of art.

Mrs. Lee Foster discussed the modern trend of music. Mrs. J. D. Barker discussed classical and instrumental music.

After the program the room was darkened with only a lighted Christmas tree for illumination. Santa Claus in his red suit, and carrying a heavy bag loaded with toys for all good faculty members, gave each teacher a little red stocking filled with nuts and candy.

Did You Know?

That the Eagles will play Borger, there, Friday?

That the Home Economics style show will be Thursday and that mothers will be invited?

That the Home Economics girls all want to go to Austin?

That Tawamana Club will meet Tuesday?

Grade Notes

For the past three years, Miss Gamble's fourth grade room has been located in the high school building. This was necessitated by the admittance of six year old pupils to the first grade; this caused one more room to be needed as a result, the fourth grade was moved into a vacant room in the high school building.

Since that time, the first grade has been reduced to two sections. As a result, the fourth grade has returned to the grade building, where the children will have a closer association with other grades.

"WE'RE BECOMING WHAT WE ARE TO BE"

"We're becoming what we are to be."

These words were quoted from the pulpit recently by a preacher of Canyon. They deal with the molding of one's character and the shaping of one's life into the form or mold that each one chooses for him or herself. They should be an excellent New Year's motto.

The reason why New Year's resolutions are made is to better or improve one's self. Although everyone does not write these resolutions, he makes some type of inner determination as to how he will better himself. Whether he lists these resolutions on a scorepad and keeps them in written form before him throughout the year, or whether he resolves in his inner self to try harder, he receives certain values from the thought given to resolutions. Since "we are becoming what we are to be" it is well to take inventory of last year, sum up the debits and credits and check the places of greatest loss and gain in character and with this foundation of knowledge, build for greater profit in character and living.

Does one list these items for purposes of betterment or does one list them to pass away spare time, or to do the same thing the crowd does? New Year's resolutions should be considered as something very personal. They should not be considered as something very light and gay to be laughed at and made fun of; because whether we like to face it or not, the fact remains, "We are becoming what we are to be."

Mrs. Jim Collins, formerly Miss Frances Reid, an ex-student of C. H. S., of Pampa visited in the Mrs. G. R. Reid home.

Miss Etheleen Murrell and her mother, Mrs. Stella Murrell, spent the holidays with relatives.

Miss Gwendolyn Black, third grade teacher, spent the holidays in Los Angeles, Calif.

C.C.C. CAMP NEWS

By Nugent L. Lowrey
Company 1828

The outstanding feature of the past week at the Veterans' CCC Camp at Palo Duro was a visit by Mr. Grant, who is a Government CWA inspector out of Washington and under the direction of Robert Fechner. Mr. Grant went over the camp and canyon project, accompanied by Colonel Coppock, after a brief meeting attended by all of the officers. Some interesting data was furnished by Chaplain Ramage taken from educational forms which he asked the men of the camp to fill in recently; namely, there being nine Spanish-American War Veterans enrolled at this camp, one being nearly seventy years of age; there being several college graduates here, several men who held commissions during the World's War; and, in fact, a surprising amount of varied abilities along both professional and mechanical lines.

After Mr. Grant made a survey, asking an enrollee now and then about working conditions, etc., he had the announcement made that he would personally interview any member of the Veterans for a few minutes relative to any matter.

In the brief meeting held with the officer personnel, Mr. Grant expressed himself as favoring a telephone connection between the camp and the adjoining community, and suggestions and questions advanced by him indicated that the Palo Duro Camp was fortunate in being paid a visit by this distinguished gentleman.

An unexpected fire drill call on last Saturday morning was so well executed that Colonel Coppock was highly pleased, and so expressed himself at the conclusion. The scene of the supposed fire was the new Camp Commander's quarters, which would have been saved easily had the fire been real. Extra precaution is being used toward fire prevention, as the barracks are wooden, of course, and coal burning heaters are installed. Plenty of fire buckets are always filled and hung in convenient places, fire extinguishers are distributed about, some garden hose is at hand and ready at all hydrants, each and every man is now well trained and alert to fire call which is clearly and loudly announced by both bugle and fire siren, and each and every member of the camp watches to see that all cigarette butts are always put out when thrown down, fires in heaters are properly watched, and a hundred percent co-operation is given Captain Cecil E. Stiles who is Camp Fire Marshal.

There is very little sickness at the camp, another feature inquired into by Mr. Grant during his brief stay. Captain Fonda and Lieutenant D. J. Lyons are the medical officers, they being assisted by one enrollee of each Company, said enrollee having had either first aid or ambulance or hospital experience before enlisting in CCC service.

Captain Gus Ramage, the Camp Chaplain, has some excellent recreational programs arranged for the coming week. On Friday evening of this week, there will be a combination program presented at Watson Hall by the Women's Federated Club of Canyon, Mrs. Knighton being the President. On Sunday evening, Dr. Condron of W. T. S. T. C. will talk. On Wednesday evening, January 10th the Melody Maids of Amarillo are scheduled to entertain with some live musical hits; and on Saturday evening, Jan. 13, the Mixed Glee Club of W. T. S. T. C. has promised an excellent program, with Miss Brigham as Director, she being the head of the piano department of the College.

There has been a good amount of entertainment from Canyon recently, and also some good speakers have come to the Camp from Canyon. Recently Rev. W. W. Richeson preached, and recently the T-Anchor Cowboys furnished a fine program of music and songs.

On last Sunday evening, Rev. Foster, Rector of St. Andrews Episcopal Church of Amarillo delivered a sermon to the men at Watson Hall.

A few new men have arrived at the camp, and others are expected in a few days, to build up the Company quota.

Winter Popularizes Skirt-Jacket Suits

PRACTICAL TWO-PIECE ENSEMBLES THAT DO NOT MATCH AND ARE INTERCHANGEABLE ADD MUCH TO THE WARDROBE

BY HARRIET

LITTLE jacket and skirt ensembles for sports and informal wear, with a chic simplicity about them, are quite the thing this winter.

Generally speaking, skirts do not match jackets this season. The idea is to have a dark skirt and either a plain light-colored coat or one of stripes, checks, or plaid. Then, of course, you can wear the skirt with other jackets and with separate blouses.

Some jackets are regular short suit coats, with either single or double-breasted fronts. Others are as casual as sweaters, buttoning down the front in a straight line or merely slipping on over the head.

A flamboyant Ascot tie or a gay belt or perhaps a hat and scarf set dresses up such a plain, slip-over jacket.

Novelty weaves make the winter's woolens outstanding. Most of them have a bit of angora interwoven in the material, giving them a certain glamorous silvery sheen.

Jerseys are in favor for street dresses, sports frocks, and little two-piece suits. Ribbed, corrugated, and raised surfaces make them novel and interesting.

Stripes are very good this winter. You'll see more of them than checks and plaids. Plaids, though, always are favored by the very young.

Navy blue is a grand choice for a little winter suit. Dark gray skirts with contrasting colored jackets are smart, too. And brown, black, and dark green are right in the mode.

One particularly smart winter suit ensemble is in two shades of red, with the darker color used for the skirt and the lighter tone for the little jacket.

Necklines are high on the jackets which are worn without blouses. Wrap your throat in the collar of the jacket and tie the front with a bow. Or, if the jacket is collarless, wear a scarf to give the high-necked effect.

* * *

A TWO-PIECE suit that would be a welcome addition to any woman's wardrobe has a plain navy blue skirt in a novelty ribbed wool and a double-breasted jacket in navy and white pin stripes. Long sleeves, with just a touch of fullness at the shoulders, make it comfortable and practical.

Plain navy, and navy and white striped wool fabric fashion the charming two-piece suit at left. A gay blouse of yellow wool matches the scarf, which tucks in under the collar. The skirt of the ensemble shown at right is in dark red; the jumper jacket in a lighter red. The long narrow scarf tie is striped, red, blue and green.

The blouse to wear under the jacket is of soft, yellow wool and matches the scarf, which tucks in under the collar. Blouse and scarf offer a vivid contrast to the dark navy blue.

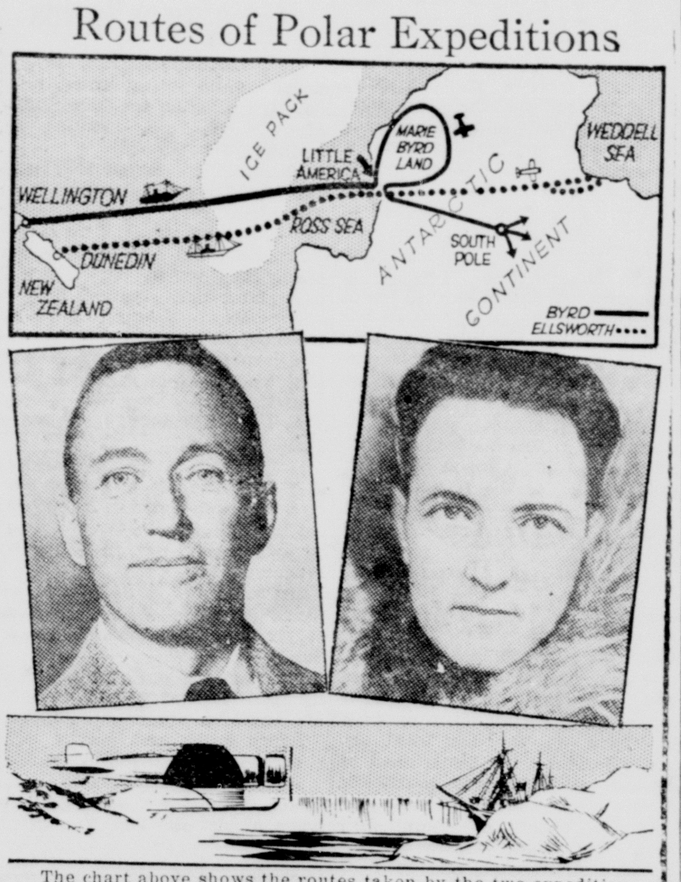
The kidskin belt is navy blue, as are the little knitted hat, bag, and gloves.

Another outfit which can be worn under your winter coat is in two tones of red—dark red for the skirt and a lighter shade for the jumper jacket.

The long, narrow scarf tie is striped red, blue, and green and is tied in a small bow at the throat, leaving long ends to hang down below the belt.

The knitted bonnet with its pert little peak is black. The model carries a Chinese bag in black.

Routes of Polar Expeditions



The chart above shows the routes taken by the two expeditions, one headed by Lincoln Ellsworth, left, and the other by Richard E. Byrd, right, en route to the Antarctic regions. Byrd, who recently sailed from Wellington, N. Z., plans to make a thorough exploration of Marie Byrd Land. By flying over Antarctica from Ross Sea to Weddell Sea and return, Ellsworth hopes to learn whether the region is one vast mass, or is composed of islands.

L. T. Lester

(Continued from first page)

lingen, W. Frank Lester of El Paso, R. L. Lester of Harlingen and Mrs. A. B. Hager of Joplin, Mo.

Mr. Lester has been a resident of Canyon for 33 years. He was born in Georgia, November 1, 1858, and had reached the age of 75 years, 2 months and 1 day at the close of his life. The family moved to the Plains in 1886, making the third family to locate in Hale county. He helped organize Crosby county, which was the first organized county on the Plains.

In 1899 L. G. Conner, founder of Canyon, induced Mr. Lester to move to this town for the purpose of starting a bank. The First National Bank was opened on January 2, 1900, in a frame building near the site of the present gas office. He soon built the first brick building in Canyon, now occupied by the Randall County Abstract Co. In 1908 Mr. Lester built the present home of the bank. He continued as president of the bank for 20 years when he retired in order to devote more of his time to farming and stock raising, which was his first love.

Mr. Lester has always been very active in the development of Canyon and the entire county. He was a member of the local committee when the college was sought, and was chairman of the local board after the institution was started. He was one of the largest donors in the subscription which finally brought the institution to Canyon.

Many interesting tales of development of the Plains are woven around the life of Mr. Lester. He served on practically every local committee for the development of the community in those early days, and only in recent years did he believe that "younger men should bear the responsibilities of Canyon," as he often stated.

Mr. Lester was a prominent member of the Baptist church, and active in the Masonic lodge work.

charged for admission to the park. He pointed out the fact that there are no free admission national parks in the United States. Every national park is supported through a charged gate. The people do not object to a small charge when they understand that the project must be self-supporting. J. B. Elliston was recently appointed to collect the gate fees at the Palo Duro.

Mr. Colp has been interested in the development of the Palo Duro for the past 20 years. He has made numerous trips to the Plains trying to get citizens interested in the project, and until this spring no way was opened for final steps to be taken in order that the park might be established. He is highly pleased with progress being made, and plans to return at least once a month to watch developments being made.

Kenneth Shearer of Amarillo was a business caller in Canyon Wednesday.

Mr. and Mrs. Donald Trolinger visited with Mr. and Mrs. Ernie Holman in Plainview Sunday.

Elzie Price Died Saturday at Hospital, Boise City

ELZIE PRICE

Elzie Price died Saturday at a hospital in Boise City, Oklahoma, where he had been taking treatments for the past three weeks. Word came last week that he was in a very serious condition and that he could not live long.

The Funeral services were held Monday afternoon at 3:00 o'clock at the Church of Christ, conducted by Rev. E. C. McKenzie of Pampa. Pall bearers were Glen McGahey, Irl Lipe, J. M. Daugherty, A. B. Holt, A. L. Walsh and D. Mack Stewart.

Mr. Price lacked only one day of having reached his 41st birthday. The family has lived in Canyon for 17 years. He was associated with Mr. McGahey until illness caused him to dispose of his interest in the Consumers Filling Station. He was an active member of the Church of Christ and of the I. O. O. F. lodge.

Surviving are the wife and four children, Marie, Wilma, Ruth and Jack, together with his father, J. A. Price, one sister, Mrs. S. J. Clark of Dodsonville, and five brothers, Frank Price of Amarillo, Abb Price of Amarillo, Marvin Price of Sayre, Okla., Ed Price of Canyon and H. O. Price of Canyon.

Capt. H. O. Price returned Sunday from Oakhurst where he has been assigned to CCC work. Owing to the death of his brother, Elzie, urgent business may force him to resign from the service and to remain in Canyon.

winning games. Russell Stroud, six-feet, four and one half inches from Eldorado, Okla., is the tallest. He has been shifted from guard to forward. Big John Walker is second in height with six feet and three inches. John hails from Spearman and is playing his second year as center. Next in line is Cow Williams who boasts of six feet and two inches. Last year was Cow's first year to play basketball, but he lettered on one of the best teams in the United States and is earning a regular guard berth this year. Guy Richards is the fourth letterman. He is six feet one inch tall and is playing his fourth year. Edd McMinn, freshman sensation of last year is the other member of the starting five.

Others who will probably see lots of service are Leonard Britt, Curtis Clement, Willie Boedeker, and Ted Phillips.

Coach Williams is bringing an experienced ball club to Canyon, and it is a toss up as to who the winner will be. Last year the Sooners won the State collegiate basketball championship of Oklahoma, and six veterans are back for this year's aggregation.

The game is called at eight o'clock, and the prices are 40 cents general admission and 25 cents for children.

City Officials In Appeal For Pure Milk Handling

The city of Canyon asks the cooperation of all stores, restaurants, drug stores, and food handling places where milk is sold to have only graded milk for sale not later than Wednesday morning.

Graded milk is milk that has been inspected, tested and approved by the City Health Department and coming from approved dairies. Inspections will be made of food handling places in the near future and periodically thereafter, in order to thoroughly check all milk consumed in the city.

The co-operation is requested of all people producing or selling milk, to refrain from selling or having on hand for sale any milk or milk products except those coming from approved sources. The fine for this violation is not less than $10.00 and not more than $200.00, and each violation is a separate offense.

This does not mean that every one must have a grade A dairy in order to sell their products. Butter and buttermilk permits may be had with very little restrictions. Applications will be taken in Mr. Fuqua's office in the court house at any time. We do not intend to work a hardship on any one and the Health Department is more than willing to co-operate with the dairymen at any time. However, for the protection of the public and to insure the city safe milk supply the ordinance will be enforced rigidly regardless. So we urge the co-operation of all producers, distributors, as well as consumers in this matter. Thereby quickly assuring Canyon of a safe milk supply for the future.

1933 Is Driest Year on Record Only 11-12 Inches

Drouth records for Canyon were broken in 1933, when only 11.12 inches of moisture were recorded by Clyde W. Warwick, local observer for the U. S. Department of Agriculture. 1910 was practically as dry, but good rains that year gave the county a general feed crop. Only three months in 1933 recorded more than one inch of rain, while December was entirely void of moisture.

The following was the record for the year:

January	.05
February	.20
March	.28
April	.41
May	2.30
June	.80
July	1.70
August	3.73
September	.20
October	.45
November	.94
December	.00
Total	11.12

PRESBYTERIAN SERVICES

At the Sunday evening services of January in the Presbyterian Church, Rev. Chas. L. Dickey will present reviews of the following books:

"Magnificient Obsession," Lloyd C. Douglas.

"The Blue Bird," Maurice Matterlinck.

"The Uncertain Trumpett," A. S. M. Hutchinson.

"Forgive us Our Trespasses," Lloyd C. Douglas.

Services will begin at 7:30.

President Hutchinson of Colorado Woman's College, of Denver, and Mrs. Hutchinson and their daughter, were visitors on the campus Tuesday.

Miss Louise Taliaferro of San Antonio is visiting in the home of her sister, Mrs. F. T. Charlton.

Public Library to Be Opened to The Public Thursday

This afternoon library service for all the people of Randall county and Canyon is beginning, with hundreds of books and a limited number of magazines ready for use.

For the present the library will be open each Tuesday, Thursday and Saturday afternoon, except the fourth Saturday afternoon of the month, when the library room will be used by the Home Demonstration clubs of the county, under Miss Sadie Kate Bass.

The library opening at this time is made possible by aid which has been secured under the CWA, and Miss Fannie Malone, who has had years of experience in libraries, has been appointed librarian.

Magazines will be furnished by interested citizens, and every person who has magazines, either old or new, is invited and urged to place them in the reading room where they can be used by great numbers of people.

Visitors to the library may read the books also. All who wish to take out books to read at home may buy book tickets from the librarian. These tickets cost $1.00 and are good for a whole year. Any responsible person in Randall county may buy a book ticket.

The money which comes from the sale of book tickets will be used to buy furnishings for the club room which is being used as a library. Shelves, tables and chairs are needed to make the library comfortable and pleasant.

The library will be continued if enough tickets are sold to keep it open until it can be well established, and according to those who are working on the project, it may finally become a public county library, without expense to the tax payers.

The Woman's Book Club began purchasing books with the idea of establishing a public library more than 25 years ago, and the Junior Woman's Club has considered the library one of its main objectives ever since it was organized. The City Federation is giving fine help to the project and the people who live in the country are greatly interested in helping get library facilities to help their schools and home demonstration clubs.

Bargain Days to Continue Until 15th of January

Newspaper bargain days have been postponed until January 15th. Until that time the subscription rate on the Canyon News will be $1.00 per year.

The clubbing rate for the Canyon News and the Amarillo Daily News is $5.00 per year.

The Canyon News has had the largest subscription renewal that this paper has enjoyed in a number of years. The people of Randall county are greatly interested in their weekly newspaper.

Those who have not renewed should take advantage of the low rate which will be effective until January 15th.

Mr. and Mrs. F. M. Munson and daughter, Miss Frances Munson, who spent the Christmas vacation in Kansas and Nebraska, returned to Canyon Monday.

Mr. and Mrs. Henry Bradford are home from Mineral Wells where they spent six weeks. Mrs. Bradford is recovering from an illness of several weeks.

Miss Gladys Beavers spent Sunday in Hereford with her relatives.
